

# Cards, cards and cards

# No price increase!

We supply Art- and Greeting cards in several standard sizes, packed with envelopes in cellophane packets (GR), or you can save money by packing them yourself (DIY). We print cards on 3 different stocks according to your choice.

- 350gsm silk - 50% recycled
- 350gsm matte white - 100% recycled
- 310gsm textured off white - 100% recycled from Devon

Cards are printed edge-to-edge or with a border, and you can have any details you like on the back. There is a set-up charge of £6 per design (or £12 if we do the photography), which you pay once only, not on repeat orders.

Discounts on quantity also apply on mixed batches of the same size.

**Prices include vat at 20%**

**we've absorbed the increase.**
